Luxury that thinks for you.

Rayan is built around a simple idea: intelligence should feel effortless. It senses your body, adapts to it, and surrounds you in warm, golden luxury — all at a price that feels like a quiet secret.

Beneath its sculpted, gold-trimmed shell sits a full smart-recovery system: 4D massage, body sensing, zero-gravity recline, soothing heat and deep foot rollers. Add a built-in wireless charger and an intuitive tablet, and Rayan becomes the most effortless seat in the house — elegant, clever and genuinely indulgent.

AIRBAGS

“Designed to sense, adapt, and relax — the chair of elegance and intelligence.”

It fits **you.**

Rayan senses your height and body type, then shapes the massage around you. At home or in a private gym, it looks every bit as refined as it feels — a confident centrepiece in any space.

AT HOME

Quiet opulence

Warm gold tones that turn a living room into a private retreat.

FOR RECOVERY

Earned relaxation

The perfect place to unwind after training or a long day.

Intelligent **by design.**

Rayan's 4D massage senses your body and adapts in real time, shaping pressure and movement to fit you — recovery that feels personal, not programmed.

+ What 4D means

Beyond moving in every direction, the rollers vary speed and rhythm as they work — the fourth dimension that makes each stroke feel natural and alive.

+ Senses your body

Rayan reads your height and body type and adjusts the massage to match, so it fits taller and smaller frames alike.

+ Curved SL-track

A long, curved track follows your spine from neck to glutes in one smooth, continuous path.

+ Deep foot rollers

Dedicated rollers work the soles of your feet — one of the most satisfying parts of any session.

Float in **gold.**

ZERO GRAVITY · 3 ANGLES

Weightless recline

Zero-gravity recline lifts your legs toward heart level and spreads your weight evenly, easing pressure off your spine and joints. With your body fully supported, muscles relax and the massage reaches deeper. Choose from three angles to find your perfect rest.

RECLINE

3

DEEP

Soothing heat therapy

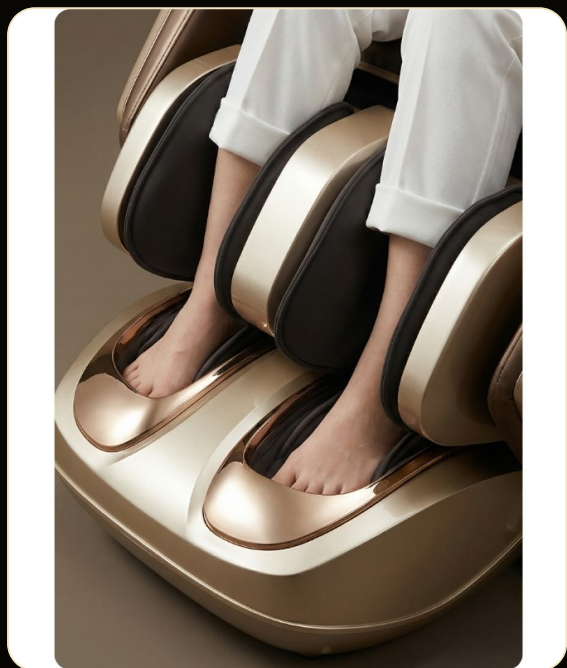

Gentle warmth across the **back and legs** relaxes tight muscles and boosts circulation, so every stroke lands deeper and recovery feels faster.

GOLD · FRONT VIEW

From head **to toe.**

Rayan wraps your whole body in coordinated, controlled motion — from your shoulders right down to the soles of your feet.

DEEP FOOT ROLLERS

37 AIRBAGS · FULL BODY

37 full-body airbags

- Air chambers gently squeeze and release across shoulders, arms, hips and legs for deep, stabilising comfort.

Deep foot rollers

- Dedicated rollers knead the soles of your feet, easing tension from the ground up.

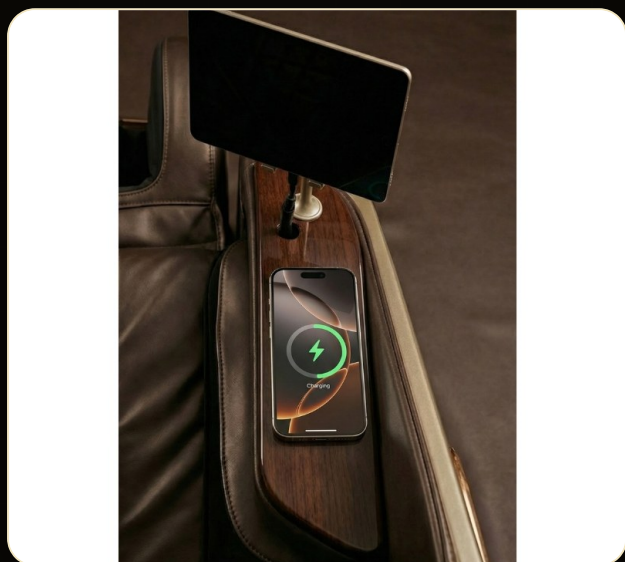

Leg stretch & support

- Gentle stretching and compression decompress tired legs and lengthen tight muscles.

One pair of rollers

- Twin rollers trace your spine in unison for balanced, symmetrical pressure.

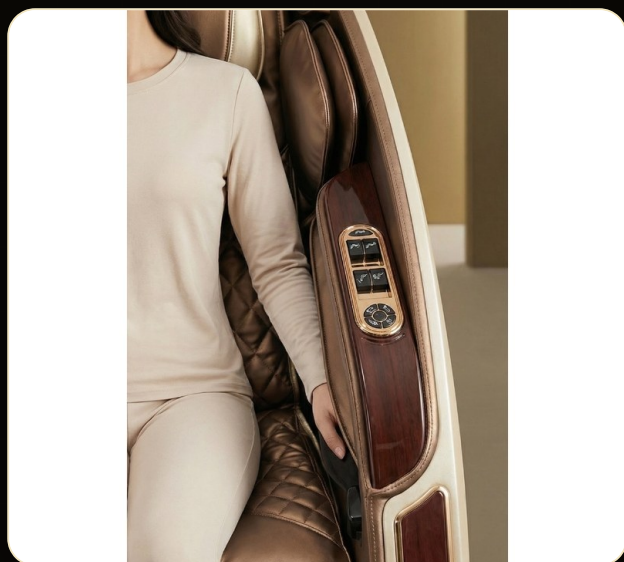

Effortlessly **intuitive.**

BUILT-IN WIRELESS CHARGER

Power, without the cable

Set your phone on Rayan's armrest and it charges wirelessly while you relax — a small touch of intelligence that none of its siblings offer.

SMART TABLET CONTROL

Everything at a glance

A clear tablet controller plus handy side controls put every program and setting within easy reach.

ENGLISH AI VOICE

Just say the word

Control Rayan hands-free with simple English voice commands — no reaching, no fuss.

Details that **flatter.**

Up close, Rayan earns its presence. Polished gold lines, a quilted leather interior and a sculpted shell give it the feel of something far more expensive than it is.

Gold-trimmed shell

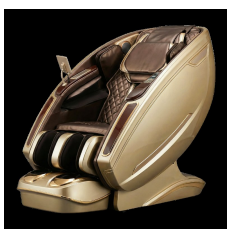

Flowing gold accents trace the chair's curves, catching the light from every angle.

Quilted leather interior

A soft, diamond-quilted seat and backrest add warmth and a sense of bespoke comfort.

Sculpted, curved form

A smooth, sweeping silhouette that looks as composed switched off as it feels switched on.

Eighteen ways to unwind.

Rayan comes with 18 auto programs, each a complete massage for a different mood or need — plus full manual control whenever you want to fine-tune.

18

Plus full **manual control** — choose the technique, area and intensity yourself.
